Criptherium through the online platform <http://www.criptherium.com> allows users to exchange fiat money to cryptocurrency (including stablecoins). In the future we will begin to exchange cryptocurrencies into fiat money and later on, exchange one cryptocurrency into the other one. The exchange rate will be set by Criptherium at the moment when the amount transferred by the user arrives Criptherium's EMI accounts.

In case of high volatility in the market, in particular the change of the price/rate by more than 2.00% between the launch of the order (initial price) and the settlement, Criptherium reserves the right to settle the transaction the trade in crypto, regardless of the value, at the best available price when the funds are available in Criptherium bank accounts. The trade is completed in Criptherium work program (Monday-Friday, except for official non-working days).

There may be situations where, due to high volatility, the customer will incur a recalculation of the purchase price when Criptherium has the possibility to buy and deliver the cryptocurrency to the customer.

We do not accept cash deposits at the bank. The client will make the transfer only from another bank account to Criptherium's listed bank account for a particular currency.

The approval of the transaction may take from a few minutes up to 2 (two) working days after the date when order was created and executed by customer, depending on the availability of the client's funds to Criptherium, the value of the purchase, and account history. The market volatility does not affect the price but the transaction load (the number of transactions per unit of time, e. g. in case number of transactions made in a certain cryptocurrency network is more than usual, the transaction can take longer to pass).

The customer can request a refund from us and we will definitely consider his request, but we also reserve the right to refund customers without their approval.

If you access the Services from any other region of the world with laws or other requirements governing personal data collection, use, or disclosure that differ from applicable laws in Czech Republic, then through your continued use of the Services, you are transferring your data to Czech Republic, and you expressly consent to have your data transferred to and processed in Czech Republic.

18. TERM AND TERMINATION

These Legal Terms shall remain in full force and effect while you use the Services.

WITHOUT LIMITING ANY OTHER PROVISION OF THESE LEGAL TERMS, WE RESERVE THE RIGHT TO, IN OUR SOLE DISCRETION AND WITHOUT NOTICE OR LIABILITY, DENY ACCESS TO AND USE OF THE SERVICES (INCLUDING BLOCKING CERTAIN IP ADDRESSES), TO ANY PERSON FOR ANY REASON OR FOR NO REASON, INCLUDING WITHOUT LIMITATION FOR BREACH OF ANY REPRESENTATION, WARRANTY, OR COVENANT CONTAINED IN THESE LEGAL TERMS OR OF ANY APPLICABLE LAW OR REGULATION. WE MAY TERMINATE YOUR USE OR PARTICIPATION IN THE SERVICES OR DELETE YOUR ACCOUNT AND ANY CONTENT OR INFORMATION THAT YOU POSTED AT ANY TIME, WITHOUT WARNING, IN OUR SOLE DISCRETION.

If we terminate or suspend your account for any reason, you are prohibited from registering and creating a new account under your name, a fake or borrowed name, or the name of any third party, even if you may be acting on behalf of the third party. In addition to terminating or suspending your account, we reserve the right to take appropriate legal action, including without limitation pursuing civil, criminal, and injunctive redress.

19. MODIFICATIONS AND INTERRUPTIONS

We reserve the right to change, modify, or remove the contents of the Services at any time or for any reason at our sole discretion without notice. However, we have no obligation to update any information on our Services. We will not be liable to you or any third party for any modification, price change, suspension, or discontinuance of the Services. We cannot guarantee the Services will be available at all times. We may experience hardware, software, or other problems or need to perform maintenance related to the Services, resulting in interruptions, delays, or errors. We reserve the right to change, revise, update, suspend, discontinue, or otherwise modify the Services at any time or for any reason without notice to you. You agree that we have no liability whatsoever for any loss, damage, or inconvenience caused by your inability to access or use the Services during any downtime or discontinuance of the Services. Nothing in these Legal Terms will be construed to obligate us to maintain and support the Services or to supply any corrections, updates, or releases in connection therewith.

20. GOVERNING LAW

You expressly understand and agree any legal matter arising from the Terms and Conditions or related to your use of the website will be governed by the Czech law, without regards to its conflicts of law's provisions. You further agree to the personal and exclusive jurisdiction of the Czech courts and waive any objection to such jurisdiction or venue.

21. LIMITATIONS OF LIABILITY

To the extent permitted by law, we are not responsible for injury/damage or loss of profits, business, data, opportunities or other direct or indirect losses, unless the damage is derived from imprudence or deliberate misinformation or if fraud is committed. None of the items mentioned above do not exclude or limit the liability of either party for fraud, death, physical injury, caused by recklessness, breach of clauses derived from law or any other liability which cannot be limited or excluded by law.

22. DISPUTE RESOLUTION

The parties will attempt in good faith to negotiate a settlement to any claim or dispute between them arising out of or in connection with this Agreement. If the parties fail to agree upon terms of settlement, either side may submit the dispute to confidential arbitration proceedings by a sole arbitrator under the ICC ADR Rules, whose decision shall be final and binding. The arbitration proceedings shall be conducted in the Czech court or another place agreed by Parties. Without derogating of the provisions above, this clause explicitly sets exclusive jurisdiction to said arbitration process, and neither Party shall be entitled to submit any dispute to the courts of its domicile which contradicts said arbitration process.

23. COMPLAINTS POLICY

When registering, you will have to provide us with some specific identification information. You are responsible for the security of your account's login and password with Criptherium. You are solely responsible for any damage caused by reason of any act or omission resulting in improper or illegal use of your account. You agree to provide accurate and complete information about yourself during the registration process and you also agree not to impersonate another person or entity, and not to hide your identity for Criptherium for any reason whatsoever. If you register as a commercial entity, you declare that you have the required authority to bind that entity to this Agreement.

Criptherium carefully treats the information you provide to us according to the disclosure of information provided during the registration process and privacy policy. Also, note that Criptherium maintains effective and transparent procedures for reasonable prompt complaint handling for existing and potential retail clients, and we keep records of complaints and measures taken for complaint resolution. The purpose of this procedure is to ensure fair and consistent dealing with client complaints whilst striving to provide the highest level of customer service.

24. REFUND POLICY

In rare circumstances, Criptherium reserves the right to either cancel your order or offer you a different price for the Services. In the event we cancel your order, if we have already received fiat money from you with regards to such order, we will, subject to applicable law and regulation, refund such funds to you. In this case we will take a fix commission for the refund (30 EUR, as stated above).

Refund shall be made to the same source from which they have originated, after deduction of any cost or expense we incur with regards to such transfer, including without limitation any wire transfer charges, currency exchange charges and/or payment processing charges. Your funds may, at Criptherium's sole discretion, be returned to another source to which you are the beneficiary, as long as you provide us with the required documents and information to verify that the account to which the funds were requested to be refunded belongs to you.

To comply with anti-money laundering and terrorist financing regulations or any other regulations and to prevent prohibited conduct, all payments and information related to the refund may be verified by Criptherium. In such case, Criptherium may request from you, at its sole discretion, to provide certain documents and information, including without limitation identification documents, copy of your credit card (front – we need to clearly see your name, expiration date, digits of the card number; for security purposes you have the right to close the middle 6 digits with a small strip of paper because this is considered confidential information; this data can also be blurred in the photo itself, back – we need to see your signature in order to validate the card; for security purposes you must cover the CVV using a small piece of paper but we must be able to see the rest of the information on the back of the card; this data can also be blurred in the photo itself) or bank details and/or any other proof required to affect the refund. In case you fail to provide appropriate documents or information, or in case of any doubts as to the authenticity of provided documents and information, Criptherium shall be entitled to cease the refund process until you take appropriate measures, as requested.

The provisions of this refund policy shall apply mutatis mutandis to any return of cryptocurrency already received from you prior to cancellation of your order, from which the then-current equivalent amount of cryptocurrency to such costs and expenses shall be deducted. The return of the cryptocurrency is not carried out by the amount of the cryptocurrency that was purchased, but by the amount of fiat money equivalent to it according to the market at the moment. It is hereby understood, agreed and confirmed by you that due to cryptocurrency price volatility, we are unable to refund the exact cryptocurrency amount received, therefore that amount of Cryptocurrency refunded shall be calculated based on its USD value at the date of transaction between you and Criptherium with respect to such cryptocurrency (without derogating from our right to deduct from such refund any cost and expense we incur with regards thereto, as specified above).

Notwithstanding the above, Criptherium reserves the right to cancel your order without any refund, or decline any refund request, if it suspects that you have or are engaged in, or have in any way been involved in, fraudulent or illegal activity. This suspicion has to be provided with the supporting evidence from our side.

Refund will be processed without undue delay, and in any event within 7 (seven) business days from cancellation of order, subject to the requirements set forth hereinabove, and provided that you do not fail to provide Criptherium with any information and/or documentation required in order to process the refund. This period may vary in smaller or larger directions, depending on the conditions of our cooperation with payment solution providers, since a request for a refund is sent to them and executed by them as well.
